Highlights

Transitional style
A peaceful coexistence of traditional and contemporary finishes, materials and fabrics equate to a classic, timeless design. Styles are simple yet sophisticated, featuring either straight lines or rounded profiles. A lack of ornamentation and decoration keeps the focus on the simplicity and sophistication of the design, offering an aesthetic sense of balance that is pleasing to the eye.

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Dry
UL Listed for Dry locations

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Standard ballast
Electronic ballast is dedicated 120V, which makes it ideal for residential applications.
